

RHODES UNIVERSITY
Where leaders learn

Research Fellow in the Centre for Radio Astronomy Techniques and Technologies in the Department of Physics and Electronics (3 year contract)

All academics are responsible for the dissemination of knowledge (teaching and learning), creation of knowledge (research) and community engagement, recognising that there are differences in the execution of these responsibilities within the various departments and Faculties. Academics are also expected to assume some administrative, management and/or leadership duties at the departmental, Faculty and/or University level, and contribute to their profession.

Requirements:

A PhD in Physics, Astronomy, or a related field with three years' experience in a research environment (post-doctoral level or comparable).

(Please refer to the role profile for further requirements related to the post)

VERY IMPORTANT: Applications should be submitted online by accessing the link:

https://www.placementpartner.co.za/wi/vacancy/?id=rhodes&source=ru&vacancy_ref=RU000412

Candidates should submit all the documents (**CV, Letter of Motivation, Application Form, Qualifications and Transcripts**). Failure to submit such documentation will result in an application not being considered.

The selection process and full minimum requirements for this post is contained in the above link.

Please note that this appointment will be made in line with the requirements of the Employment Equity Act of RSA and the University's recruitment and selection policies and equity strategies. The initial focus will be on equity candidates. An employment check will be conducted on successful candidates.

If you have any questions or experience challenges with the system, please contact Ms Mericha Maccario on 046 603 8001 or Ms Akhona Maqungo on 046 603 8117.

All applications will be treated in strict confidence. The University reserves the right not to proceed with the filling of the post. An application in itself does not entitle the applicant to an interview. Please apply online by accessing the Rhodes University Website.

Closing Date: 16 November 2020

If you are not contacted within 30 days from the closing date, please consider your application unsuccessful
